Nice Email below, should we let the energy committee know.

Thanks Barry

Mr. Tibbetts

I just wanted to get in touch with someone from the Town to send a quick thank-you note... I'm volunteering with a childrens program at my local library, and this month the kids are all working on projects about conservation & sustainability! One of the kiddos, Elsie, was doing her research and she ended up on the Energy Advisory Committee's webpage [<https://linkprotect.cudasvc.com/url?a=https%3a%2f%2f%2fwww.windhammaine.us%2f232%2fEnergy-Advisory&c=E,1,xFkthDwpReBSE4-wd-X4I2mDfrgBWPCCLmEC83ae0lqkwWZ6MJaNQRKaLPwVMVaDlcAwhY0PAW99yyUzxcdGl1HAhh7xkin9pQxpQV4UnJDKG5SyHi-gfEC&typo=1>]. It turned out to be a great find! She was able to get some excellent info and she decided that we needed to reach out and say thanks - so here we are LOL thank you!

And together we also picked out another educational page to share with you, to pay back the favor...

"Energy Saving Tips for Homeowners" -

It's a great resource for families on saving energy at home, and Elsie thought you'd want to add it to the committee's page.. I'm sure you're busy but if you're able to find a spot for it please give me a shout.. She's already passionate about the environment so she'd be so proud to see her suggestion and I could show her at our meeting after the holidays :-)
Anyway thank you again Barry .

Have a wonderful holiday!!

Best,
Martina Costa
