Dear Councilors,

I hope this message finds you well. I am writing to express my strong support for maintaining the position of Windham's town clerk as an elected role rather than an appointed one.

Having an elected town clerk is crucial for ensuring that our community's voice is truly represented. When we have the power to vote for our town clerk, we ensure that the person in this important role is accountable to the entire community, not just a select few. This democratic process we hold to in this great Republic we call home strengthens our town and fosters greater trust in our local government.

I urge you to support keeping the town clerk position elected, preserving our tradition of a government that is by the people and for the people. Thank you for considering my perspective.

Best regards,

Justin Whynot
