JANUARY 2020 MONTHLY REPORT WINDHAM POLICE DEPARTMENT

Staffing: Currently the Police Department is fully staffed at 29 sworn officers, 2 administrative assistants and one animal control officer. Our newest officers, Mike Foley and Aaron Sinclair are in their 7th week of training at the Maine Criminal Justice Academy doing well with a graduation date of May 1, 2020. The department is expecting multiple retirements this year so recruitment, hiring and training will be a high priority in the foreseeable future.

New Cruisers: We are expecting the delivery of two new 2020 Ford SUV's soon. Due to a change in the body (they are larger) there has been a backup at the factory. The cruisers are now offered in both straight gas and hybrid engines. We have ordered one of each to test and evaluate each for performance and potential fuel savings. The cost for the hybrid engine is approximately \$3300 more than straight gas. Ford reports an approximate 30% fuel reduction for the hybrid engine which eventually reduced or eliminates the added cost in the long run. The down side of the larger unit is it will require replacement of some internal equipment and various brackets to make exist equipment fit and function properly.
