Town of Windham Planning

The ownership of 25 River Rd LLC is James Cummings and Jay Hackett. We are each 50% owners of the LLC. We are both Windham residents and have extensive subdivision experiences. Jay is in the final stage of a 14 lot subdivision in Gray.

I have done multiple subdivisions, and 3 condominium projects. The last one was in Falmouth in 2022. Each 1 of us is financially capable of doing this project, and have the knowledge needed.

Thank you

Jim
