539	Hiking in new east Windham park, pic nic at Dundee, visit to lipman park to use playground, soccer fields, biking trails to Gotham from the so Windham post office. Need more parks for recreation and picnics and would love to see a nice flat safe walking trail by the 202 safety building and gardens where there would be 3 loops a mile each so seniors and children can safely walk a mile and then have a 2 and 3 mile option in that big field area where walking can be done with easy access, good lighting so the very young, very senior and all in between can use and walk in a place other than the HS track	8/7/2024 4:11 PM
