

Windham Police Department

Monthly Report

February 2018

Traffic Enforcement: In response to community concerns, as well as the high volume of traffic crashes on River road, the department placed a special emphasis on enforcement efforts on River road during the month. This was accomplished by both the deployment of regularly scheduled patrol staffing and additional overtime shifts being assigned to work River road. The results of these efforts were 100 car stops on River road for the month of February, 26 of which were conducted on three overtime details. Total stops for the month through out town as reported below were 427. These numbers represent a lot of work and dedicated efforts from our officers; I'd like to thank them of a JOB WELL DONE!!

Also in the area of traffic enforcement the department has procured another speed sign from the Maine Department of Transportation. This sign is smaller than our trailer and is designed to fit on a pole or post, similar to the one you may have seen in Westbrook. We will be working with both our highway department and utilities to have locations on Falmouth road, River road, Whites Bridge road and Albion road.
