97	Literally everything except groceries. There is no where to live in Windham, nowhere to work, and nothing to do because the rich people have taken up the entirety of Sebago Lake and still want to let their dog run off leash on the trails. Windham is for the wealthy elite and the vote to keep the working class out. Windham is old, racist white people. We are a young couple trying to buy a home and raise children and we will have to leave Windham, because Windham only wants rich, old white people here.	11/4/2024 6:56 PM
