**Comments:**

Dundee is like family. My brother has been coming here for 60+ years and says nothing has changed.

Nobody makes you feel more at home than Mona. Good clean fun. Lovely. Nothing like it for miles

Someday I hope you make a small commemorative paper with photos collected from the community

I would change one thing - add another covered table ....Charlie Cole 893-0455

Love this Place.... Eunice Cassidy 893-1497

Very Clean and relaxing place to spend the day. Also very kid friendly

Relaxed environment, accomodation ice cream truck, the kids love that

Maybe a small playground (grassy flat area) everyone was very helpful

Always clean

I tell everyone about this place

Always polite, always treats us with respect

This place has the best of everything, sun, shade, water, picnic, fun.....Bridgette Paulus 749-4363

The paddle boats are fun

IDEA....allowing a food vendor cart to come here to serve/sell lunches...we would stay longer if so

We love it here!

Thanks for having a clean, great place to swim, don't want it to get crowded because of the awesomeness....Ariel O'neil

We love Dundee!!

Came after 3 and got charged full price, should not have been...maybe 1/2 price after 3. Been coming here for my first year, love it!

Great family friendly place!

Great Staff

Came after 3pm and was still charged full price, should be half price or kids free - been coming for 36 years and will continue

Life guards do a great job - very attentive

Is one of the best programs Windham offers

Life guards are very pleasant
