That WE, JOHN W. CLARK and LILLA A. CLARK, both of Windham in the County of Cumberland and State of Maine

in consideration of one dollar and other valuable consideration paid by CENTRAL MAINE POWER COMPANY, a corporation duly organized and existing under and by virtue of the laws of the State of Maine and having an office and place of business at Augusta, County of Kennebec, said State of Maine, the receipt whereof is hereby acknowledged, do hereby give, grant, bargain, sell and convey unto the said Central Maine Power Company, its successors and assigns, forever, the perpetual right and easement to erect, construct, maintain, repair, rebuild, respace, replace, operate, patrol and remove electric transmission, distribution and communication lines consisting of suitable and sufficient poles and towers with sufficient foundations together with wires strung upon and extending between the same for the transmission of electric energy and intelligence, together with all necessary fixtures, anchors, guys, crossarms, and other electrical equipment and appurtenances, over and across ~~land located in the County of Cumberland, State of Maine. The location of the same is more particularly described and described as follows:~~

Clark & to Central Me Power Co --- War

a strip of land one hundred (100) feet in width situated in Windham, in the County of Cumberland and State of Maine, being a portion of the premises conveyed to us by John H. Olesen, by deed dated April 4, 1953, recorded in Cumberland County Registry of Deeds in Book 2079, Page 304, and Ruth F. Olesen by deed dated March 31, 1953, recorded in said Registry of Deeds in Book 2123, Page 349, and to John W. Clark by Neil F. Lowell et al, by deed dated September 24, 1956, recorded in said Registry of Deeds in Book 2320, Page 243, to which deeds reference is hereby made for a more particular description of said premises; said strip being one hundred (100) feet in width and lying equally, namely, fifty (50) feet on either side of the following described survey line and its projection at either end:

Beginning at a stake set in the dividing line between our land and land of Milton W. Tottle et al, said stake being southeasterly along said dividing line about seventy-two (72) feet from an iron pipe set at the northwesterly corner of the above mentioned Tottles' land; thence S 28° 42' E and crossing the Gray-Gorham Road, a distance of two thousand five hundred fifty-one (2551) feet to a stake and angle; thence S 48° 40' E and crossing the Swett Road a distance of one thousand five hundred seventy-three (1573) feet to a stone wall and dividing line between our land and land of James J. Finley, said last named stake being northeasterly along said last mentioned dividing line about five hundred sixty (560) feet from the easterly side line of the Swett Road, so-called.

This conveyance is made subject to the rights of the public in said Gray-Gorham Road and the Swett Road.

236 Also conveying to the Grantee, its successors and assigns, the right and easement at any and all times to clear and keep clear said strip of all trees, timber and bushes growing on said strip by such means as the Grantee, its successors and assigns, may select; provided, however, that the Grantor(s), ~~.....their.....~~ heirs and assigns, shall be entitled for a period of one (1) year from the date said strip is first cleared to any salvage of wood and timber cut by the Grantee, its successors and assigns.

Also conveying to the Grantee, its successors and assigns, the right and easement at any and all times to enter on adjacent land of the Grantor(s), ~~.....their.....~~ heirs and assigns, for the purpose of cutting or trimming and removing such tall tree or trees growing outside the limits of said strip as in falling would in the judgment of the Grantee, its successors and assigns, interfere with or endanger the operation and maintenance of any lines constructed along said strip.

~~themselves~~
The Grantor(s) for ~~.....self~~ and ~~.....their~~ heirs, executors, administrators, successors and assigns, covenants and agrees to and with the Grantee, its successors and assigns, that they will not erect or maintain any building or other structure, or permit the erection or maintenance of any building or other structure, of any kind or nature upon the above described strip, and will not place, permit or allow any material of any kind or nature to accumulate on or be removed from said strip any or all of which, in the opinion of the Grantee, its successors and assigns, would endanger or interfere with the operation or maintenance of said line or lines constructed along and across said strip.

TO HAVE AND TO HOLD the aforegranted rights and easements, with all the privileges and appurtenances thereof to the said Central Maine Power Company, its successors and assigns, to its and their use and behoof forever. And we do covenant with the said Grantee, its successors and assigns, that ~~we are~~ lawfully seized in fee of the premises; that we are free of all incumbrances; that we have good right to sell and convey said easement to the said Grantee to hold as aforesaid; and that we and our heirs, shall and will warrant and defend the same to the said Grantee, its successors and assigns forever, against the lawful claims and demands of all persons, except as aforesaid.

Know All Men by These Presents,

That I, John W. Clark, of Windham in the County of Cumberland and State of Maine

in consideration of one dollar and other valuable considerations

paid by James B. Hawkes and Linda I. Hawkes, both of said Windham

the receipt whereof I do hereby acknowledge, do hereby give, grant, bargain, sell and convey unto the said James B. Hawkes and Linda I. Hawkes,

as joint tenants and not as tenants in common, and their heirs and assigns, and the survivor of them, and the heirs and assigns of the survivor of them, forever,

A certain lot or parcel of land, together with the buildings thereon, situated in the town of Windham, county of Cumberland, and state of Maine, being more particularly bounded and described as follows:-

Beginning at a point on the northeasterly side line of the Webb Road, so-called, at an iron stake situated 568½ feet more or less from the northwesterly corner of land formerly of Marie R. Wilson and line of land now or formerly of one Arthur Perrin; thence in a southeasterly direction by the northeasterly side line of said Webb Road, 300 feet more or less to an iron stake at said side line of the said road; thence in a northeasterly direction and in a straight line, a distance of 270 feet, more or less, to an iron stake; thence in a northwesterly direction and parallel to the first mentioned bound, a distance of 320 feet more or less to an iron stake; thence in a southwesterly direction, parallel with the second mentioned bound, a distance of 270 feet, more or less, to the stake and point of beginning.

And hereby conveying an easement to said grantees, their heirs and assigns, with the right to enter, lay, operate and maintain sewer pipe and a drainage bed on the following described property: Beginning at an iron stake on the northeasterly side line of the Webb Road so called, said stake being situated 568½ feet more or less from the northwesterly corner of land formerly of Marie R. Wilson and line of land now or formerly of one Arthur Perrin; thence in a northwesterly direction and following said northeasterly side line of said road, 346.2 feet, more or less, to a point in the middle of Slack Brook so called; thence in a northwesterly direction, following middle line of said brook, 25 feet more or less, to a point; thence in a southeasterly direction and parallel with the first mentioned bound, a distance of 346.2 feet more or less to a point at the northwesterly side line of the first parcel described above; thence in a southwesterly direction and following said northwesterly side line of the parcel first described above, 25 feet more or less, to the stake and point of beginning.

~~Grantor derives his title by virtue of a deed from Marie R. Wilson, being recorded in Cumberland County Registry of Deeds.~~

Being a portion of the premises conveyed to the Grantor herein by Marie R. Wilson by warranty deed, dated July 14, 1967, and recorded in Cumberland County Registry of Deeds in Book 3003, Page 782.

To have and to hold the aforegranted and bargained premises with all the privileges and appurtenances thereof, to the said James B. Hawkes and Linda I. Hawkes

as joint tenants and not as tenants in common, and their heirs and assigns, and the survivor of them, and the heirs and assigns of the survivor of them, to them and their use and behoof forever.

And I do covenant with the said Grantees, as aforesaid, that I am lawfully seized in fee of the premises, that they are free of all incumbrances, that I have good right to sell and convey the same to the said Grantees to hold as aforesaid, and that I and my heirs shall and will warrant and defend the same to the said Grantees, their heirs and assigns, and the survivor of them, and the heirs and assigns of the survivor of them, forever, against the lawful claims and demands of all persons.

EASEMENT DEED

KNOW ALL BY THESE PRESENTS: that Laurence A. Clark, also known as Lawrence A. Clark of Windham, County of Cumberland, and State of Maine, and his successors, heirs, and assigns ("GRANTOR," whether one or more), for ten dollars (\$10) and other good and valuable consideration, the receipt of which is mutually agreed, grants to PORTLAND NATURAL GAS TRANSMISSION SYSTEM, a Maine Partnership, the mailing address of which is 300 Friberg Parkway, Westborough, Massachusetts 01581-5039, its successors and assigns, ("GRANTEE"), a right-of-way and easement for the purposes of preparing, laying, constructing, maintaining, operating, altering, improving, repairing, changing the size of, replacing and removing, and conforming with any state or federal requirements pertaining to; a pipeline and all related equipment and appurtenances thereto (including but not limited to meters, fittings, tie-overs, valves, pipeline communication systems, and cathodic protection equipment) for the transportation of natural or artificial gas under, over and across the tract or tracts of land ("Land") of GRANTOR, situated in the Town of Windham, County of Cumberland, State of Maine, and being more particularly bounded and described as follows:

All of that certain plot, piece or parcel of land described by deed dated 4/4/52, recorded 4/9/52, book 2079, page 304, less and except that parcel at book 3987, page 250; being further identified as tax map 9 lot 77-A.

Said right-of-way and easement shall extend under, over and across the Land, shall be 50 feet in width, being 35 feet on the Northerly and Easterly side and 15 feet on the Southerly and Westerly side of the centerline of the pipeline as laid (the "Corridor").

GRANTOR hereby grants to GRANTEE a temporary right-of-way and easement extending 15 additional feet on the Northerly and Easterly side and 10 additional feet on the Southerly and Westerly side of the Corridor to allow for a temporary workspace contiguous to the Corridor when such is necessary for the purposes of preparing, laying and constructing said pipeline. Said temporary right-of-way and easement shall expire upon completion of the laying and construction of the pipeline or upon receipt of all necessary permits, approvals and notifications of compliance from the appropriate jurisdictional regulatory agencies with respect to the pipeline laid, whichever is later.

In addition to the above temporary right of way and easement, GRANTOR hereby grants to GRANTEE an additional temporary right-of-way and easement extending (50) feet on the (Easterly) side of the previously described temporary right of way and easement and commencing at (U.S. Highway 202), thence extending (Southerly) a distance of (100) feet to allow for an additional temporary workspace contiguous to the temporary right of way and easement granted herein when such additional area is necessary for the purposes of preparing, laying and constructing said pipeline. Said temporary right of way and easement and additional temporary right of way and easement shall expire upon completion of the laying and construction of the pipeline or upon receipt of all necessary permits, approvals and notifications of compliance from the appropriate jurisdictional regulatory agencies with respect to the pipeline as laid, whichever is later.

In addition to the above temporary right of way and easement, GRANTOR hereby grants to GRANTEE an additional temporary right-of-way and easement extending 25 feet on the (Easterly) side of the previously described temporary right of way and easement and commencing at (U.S. Highway 202), thence extending (Southerly) a distance of (1555) feet to allow for an additional temporary workspace contiguous to the temporary right of way and easement granted herein when such additional area is necessary for the purposes of preparing, laying and constructing said pipeline. Said temporary right of way and easement and additional temporary right of way and easement shall expire upon completion of the laying and construction of the pipeline or upon receipt of all necessary permits, approvals and notifications of compliance from the appropriate jurisdictional regulatory agencies with respect to the pipeline as laid, whichever is later.

In addition to the above temporary right of way and easement, GRANTOR hereby grants to GRANTEE an additional temporary right-of-way and easement extending 50 feet on the (Northerly) side of the previously described temporary right of way and easement and commencing at (Swett Road), thence extending (Easterly) a distance of (100) feet to allow for an additional temporary workspace contiguous to the temporary right of way and easement granted herein when such additional area is necessary for the purposes of preparing, laying and constructing said pipeline. Said temporary right of way and easement and additional temporary right of way and easement shall expire upon completion of the laying and construction of the pipeline or upon receipt of all necessary permits, approvals and notifications of compliance from the appropriate jurisdictional regulatory agencies with respect to the pipeline as laid, whichever is later.

In addition to the above temporary right of way and easement, GRANTOR hereby grants to GRANTEE an additional temporary right-of-way and easement extending 25 feet on the (Northerly) side of the previously described temporary right of way and easement and commencing at (Swett Road), thence extending (Easterly) a distance of (200) feet to allow for an additional temporary workspace contiguous to the temporary right of way and easement granted herein when such additional area is necessary for the purposes of preparing, laying and constructing said pipeline. Said temporary right of way and easement and additional temporary right of way and easement shall expire upon completion of the laying and construction of the pipeline or upon receipt of all necessary permits, approvals and notifications of compliance from the appropriate jurisdictional regulatory agencies with respect to the pipeline as laid, whichever is later.

GRANTOR reserves all oil, gas and minerals on and under the Land and the right to farm, graze and otherwise fully use and enjoy the Land, subject to the rights and privileges and authority herein granted, provided, however, that GRANTEE shall have the right hereafter to cut and keep clear all trees, brush, structures, dwellings, and other obstructions that may injure, endanger or interfere with the exercise of its rights and easements granted hereby.

GRANTEE shall have all privileges convenient for the full and exclusive use of the rights and easements herein granted, together with ingress and egress on foot and by vehicle, along the Corridor and temporary right-of-way and easement. GRANTOR agrees that no excavation, change of grade nor water impoundment will be made on and no trees, brush, structures, dwellings, or other obstructions will be placed or erected over, under or across the Corridor without prior written consent of the GRANTEE.

GRANTEE, by the acceptance hereof, agrees to pay for damages to crops, pasture, fences, timber, livestock and all other personal property which may arise from preparing, laying, constructing, maintaining, operating, altering, improving, repairing, changing, the size of, replacing or removing said Line.

GRANTEE is hereby expressly given the right to sell, lease and assign these rights-of-way and easements, or any part thereof, or interest therein, and the same shall be divisible among two or more owners, as to any right or rights created hereunder, so that each assignee or owner, lessee or tenant shall have the full rights and privileges herein granted, to be owned and enjoyed either in common or severally.

TO HAVE AND TO HOLD said rights of way and easements with all privileges and appurtenances thereof unto the Portland Natural Gas Transmission System, its successors and assigns forever.

The GRANTOR and the GRANTOR's spouse _____ hereby waive and release any right of homestead in the rights-of-way and easements hereby granted.

SEE ADDENDUM ATTACHED HERETO AND MADE A PART HEREOF.

It is agreed that this grant as written above covers all of the agreements between the parties and that no other representations have been made modifying, adding to or changing the terms of the same.

Clark, Grantor, and PORTLAND NATURAL GAS TRANSMISSION SYSTEM, Grantee, dated Sept 6th, 1997, covering that certain plot, piece or parcel of land as described by deed dated 4-4-52, recorded 4-9-52, at Book 2079 Page 304.

1. It is understood and agreed by and between the Grantee and the Grantor that the said right-of-way and easement granted herein shall extend under, over and across the Land shall be 50 feet in width being 35 feet on the Northerly and Easterly side and 15 feet on the Southerly and Westerly side of the centerline of the pipeline as laid, being more particularly described as follows:

ME-PNGTS-495.00:

Beginning at a point on GRANTOR's northerly property line, located on the southerly right-of-way line of U. S. Highway 202, said point being located four hundred twenty feet (420') more or less, westerly of the intersection of U. S. Highway 202 and Swett Road, so called; thence southerly one thousand seven hundred feet (1700'), more or less, to a point on GRANTOR's southerly property line; said property line being the boundary line between lands of Grantor and lands now or formerly of Central Maine Power Company; said point being located two hundred feet (200'), more or less, westerly of Swett Road, so called.

ME-PNGTS-498.00:

Beginning at a point on GRANTOR's westerly property line, said line being the boundary line between lands of this Grantor and lands now or formerly of Central Maine power Company; said point being one hundred ten feet (110'), more or less, southerly of Swett Road, so called; thence southerly two hundred thirty feet (230'), more or less, to a point on GRANTOR's easterly property line on the southerly right-of-way line of Swett Road, so called; said point being located two thousand five hundred feet (2500'), more or less southerly of the intersection of Swett Road, so called, and U. S. Highway 202.

ME-PNGTS-500.00

Beginning at a point on GRANTOR's westerly property line on the easterly right-of-way line of Swett Road, so called; said point being two thousand five hundred feet (2500'), more or less, southerly of the intersection of Swett Road, so called, and U. S. Highway 202; thence easterly one thousand two hundred thirty feet (1230'), more or less, to a point on GRANTOR's easterly property line, said property line being the boundary line between lands of this Grantor and lands now or formerly of James and Jean Finley; said point being located six hundred thirty feet (630'), more or less, northerly of the intersection of said boundary line and Swett Road, so called.

2. Grantee agrees to record, in the Windham Town Hall, an "as-built" plan of the proposed pipeline upon completion of construction of the said pipeline.

3. Grantor shall have the right to construct an access road and/or driveway across the Grantee's Corridor as described herein, provided said access road and/or driveway shall not interfere with the safe operation and maintenance of Grantee's pipeline. Grantor shall notify Grantee at least ten (10) days in advance of GRANTOR's intent to construct an access road and/or driveway across Grantee's Corridor. The location and design of said access road and/or driveway shall be subject to approval by Grantee; said approval not to be unreasonably withheld by Grantee.
