

The Opportunity Alliance

April 3, 2025

Barry Tibbetts
Town of Windham
8 School Rd
Windham, ME 04062-4899

Dear Mr. Tibbetts:

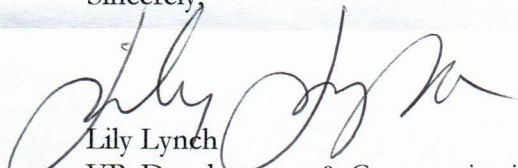

On behalf of the board, staff, and individuals we serve each year, thank you to the Town of Windham for supporting The Opportunity Alliance. The town's recent contribution of \$6,800.00, received on 3/12/2025, will make a difference in your residents' lives.

The Town of Windham's partnership helps to provide nutritional support for new mothers and their infants, enough oil to heat a home until a family can catch up, or a trained, dedicated professional on the other end of The Maine Crisis Line. Your support powers dozens of programs that serve more than 20,000 Mainers each year, helping to connect individuals and families across southern Maine to critical resources and programs.

Every year, the communities we work with are faced with new challenges. This contribution allows us to work alongside residents to face these challenges head on. For this we are extremely grateful.

Thank you for joining us in striving to meet our mission to build better lives and stronger communities. The Town of Windham is an important part of this work we do every day.

Sincerely,

Lily Lynch
VP, Development & Communications
