Hi Robert and Susan,

Hope your day is going well.

I'm following up regarding the FOAA request that was emailed to you on December 5. It has now been 17 days, and have not received a response.

Specifically, I am requesting a copy of the current month's phone bill and internet bill for the Town of Windham.

Please ensure that all pages of both the phone bill and the internet bill are included, and kindly email the documents as a single file attachment to:

resourceutilityconsultants@outlook.com

We have assisted many municipalities in obtaining refunds for telecommunications overbilling, while also reducing costs and saving money. Examples include the City of Brewer, the Town of Farmington and the Town of Veazie.

Thank you for your attention to this request.

All the best,
