Hello Mr. Jordan,  
The documents labeled Windham (ME) Hosted Phone... and Appendix A comprise our current contract with Consolidated Communications. All other attachments are for Spectrum and the progression of their transfers and name changes. The original contract is from 1982. I am sending one other file in a separate email due to its size.

Have a good day,  
Tammy

Hi Tammy,

Hope you are having a productive day.

Thank you for sending over the phone and internet bills for the Town of Windham.

**Last month, we helped the City of Brewer cut unnecessary fees and charges from their phone and internet services, resulting in thousands of dollars in savings for the city and its taxpayers.**

Becky Drew from the Town of Veazie shared the following after their review:

*“Like many municipalities, Veazie receives monthly bills for utility services. But how do we know the charges are accurate? We’re busy running a town we don’t have the time or expertise to audit every detail and charge. For years, we simply paid the bills and assumed they were correct. That changed when we received a free utility analysis from Larry at Resource Utility Consultants, and the results were exceptional. Thanks to his review, the Town of Veazie was able to reduce its phone expenses by approximately 30%.”*

**I am writing to submit a request pursuant to the Freedom of Access Act (FOAA). Specifically, I am seeking a copy of the current contract for Consolidated Communications & Charter/Spectrum for the Town of Windham**

Please ensure that all pages of the contract are included, and kindly email the complete document as a single file attachment to [resourceutilityconsultants@outlook.com](mailto:resourceutilityconsultants@outlook.com)

Thank you for your assistance with this request.
