### Request for Proposal

#### New Pumper/Tanker

July 11, 2024

The Town of Windham Fire-Rescue Department is seeking proposals from fire apparatus vendors for the purchase of new NFPA compliant pumper/tanker. We are specifically seeking apparatus that is actively in construction that can be delivered prior to June 30, 2024, or has already been completed.

Your proposal is due to the Town of Windham Fire-Rescue Department, 375 Gray Road Windham, Maine Attn: Chief Brent Libby by August 1, 2024, at 1 pm.

The vehicle at a minimum must meet the following criteria:

- Commercial Chassis
- Single rear axle
- 400-500 hp motor
- 1500 gallon per minute pump
- 2000-gallon water tank
- Foam cell with or with option for foam system
- Two cross lays
- One rear discharge
- One rear direct fill
- Holds 1000 feet of 5-inch large diameter hose
- Full body compartments on drivers' side
- Auto dump chute control from inside cab and outside cab
- Space for to hold a 2500-gallon folding tank

In your response, please provide:

1. Written specification and drawings for the vehicle you are proposing
2. Specifically call out any limitations to modifications that could be made based on the stage of construction for the vehicle
3. Current delivery price
4. Itemized list of items included to ensure compliance with NFPA
5. Warranty Information
6. Available service locations in Maine and in New England
7. Proposed delivery date

The Town of Windham reserves the right to accept or reject any and all proposals and to make the award in the town's best interest.

Sincerely,

A handwritten signature in blue ink, appearing to read "Brent J. Libby".

Brent J. Libby  
Fire-Rescue Chief
