# WINDHAM MUNICIPAL CODE OF ETHICS

## Declaration of Policy; Authority

The proper operation of the Town of Windham requires that all Town officials with executive decisionmaking authority, whether elected or appointed, be impartial, equitable and responsive to the needs of the people and each other in the performance of their respective functions and duties; that proper conduct by Town officials will promote public confidence in the integrity of government and will be maintained by all Town officials; that public office not be used for personal or financial gain or advantage; that the structure of Town government be used properly in decision and policy making.

The Town Council seeks to actively promote the equal enjoyment of all Town services and programs by citizens throughout the community, free from discriminatory viewpoints or treatment, and without regard to race, color, age, sex, sexual orientation, gender identity or expression, national origin or ancestry, religion, genetic information, physical or mental disability, veteran status, or any other legally protected status.

In recognition of these goals and the importance of protecting public interest and Town officials, a Code of Ethics is hereby established for all <u>Town officials</u>, as defined herein.

# **<u>13.</u>** Disclosure Statement by Town <u>Officials</u>

- A. Within fifteen (15) days after each annual municipal election, every elected Town official shall file a completed disclosure form with the Town Clerk with a copy forwarded to the Chair of the Town Council. Within thirty (30) days after his/her appointment to an executive board, every appointed Town official shall file a completed disclosure form with the Town Clerk, with a copy forwarded to the Chair of the appropriate executive board. Each executive board is responsible for ensuring that its members comply with the filing of a disclosure statement. An extension beyond the stated time frame for filing a disclosure statement may be approved with a majority vote of the appropriate executive board. Each executive board will review the financial reports of its members. Should a conflict of interest be discovered, a majority vote of the executive board may refer the matter to the Board of Ethics for an advisory opinion.
- B. The disclosure forms shall be under oath and shall contain the following information to the best of the disclosing party's knowledge and belief:
  - 1. the name of each person or <u>business</u>, whether incorporated or not, doing business with the Town in an amount in excess of \$1,000 during the preceding calendar year from which such disclosing <u>Town official</u> or member of his/her immediate family has received money or other thing of value in an amount in excess of \$1,000 during the preceding calendar year, including, but not limited to, campaign contributions where applicable;

	appropriate.	
Us	se of Titles and Disclaimers	
<u>A</u> .	. Background. Town officials retain their full, constitutionally guaranteed, First	
	Amendment rights as private individuals, and this Code respects and protects these rights.	
	One of the responsibilities of Town officials is to separate protected personal discourse	
	from matters of governance. This section of the Code addresses this responsibility.	
B.	Use of titles. In making written or oral statements, Town officials may use their official	
	titles upon, and only upon, the following circumstances:	

(1) When so doing does not violate any other provision of this Code or any provision of the Code of Ordinances, state law, or federal law; and

(2) When:

(a) The executive board has specifically authorized the Town official to speak on behalf of the executive board or the Town; or

(b) The information conveyed:

- (i) Is consistent with the official position of the Town as that position was adopted by the Town Council or is consistent with the official decision of an applicable executive board and the context of the communication only involves that applicable executive board; and
- (ii) References the appropriate decision by or position of the Town Council, or to the decision of the applicable executive board; or
- (c) When the Town official makes a clear and unambiguous statement that the Town official is speaking in his/her individual capacity and not on behalf of the Town or the executive board.

C. Disclaimers. Disclaimers are only required when there could be ambiguity regarding the capacity in which a Town official is communicating. In a typical disclaimer, a Town official could say (or write), "Speaking for myself;" or "Speaking as an individual;" or "Although I hold the office of [insert office], I am speaking tonight as a private individual. My remarks should not be interpreted as representing my office or the Town of Windham's official policy." A Town official could also say (or write), "I make these remarks in my personal capacity, and not as [insert office]. These remarks should not be interpreted as representing the Town of Windham." The most important aspect of any disclaimer is to remove ambiguity. In this regard, Town official should be cautious of the circumstances or conditions of any statement and be wary of concerted or group action, which increases the likelihood that such action will be perceived as an act or endorsement of the Town itself.

D. Other considerations. Town officials must comply with any other provisions of law related to the use of official titles.

**<u>16.</u>** Incompatible Employment <u>or</u> Office

- A. No Town official shall occupy any other office, elected or appointed, (including employment positions), where the duties of such office are incompatible with the proper discharge of his or her official duties as a Town official. For purposes of this Code, the occupancy of any office, elected or appointed, with the Town or any other governmental entity by any <u>Town</u> official is hereby prohibited in any one of the following circumstances:
  - 1. Where the duties of the two offices are so inconsistent or in conflict with one another that one person holding both would not be able to simultaneously perform the duties of both with undivided loyalty in every instance;

   conducted by the Town Council, the Town Council is authorized to take one or more (or none) of the following actions, by a 2/3 majority of the disinterested members:
