Re. Cumberland County CDBG Program

Dear Commissioner Gordon,

Windham was among those communities that worked with Cumberland County to establish its designation as an entitlement county. We have seen the benefits of the program here in Windham and around Cumberland County and hope to see them continue for many years to come.

In response to your letter of November 23, while Windham's cooperation agreement renews automatically, the Town Council has asked me to let you know affirmatively that the town will continue working with the county, county staff, and other participating communities in the CDBG program. I have had the privilege of working with Peter Crichton, Aaron Shapiro, and others with Cumberland County and fellow communities to make the program a success.

Please let me know if you have any questions.

Sincerely,

Anthony T. Plante  
Town Manager
