

Disposable **WIPES**

STOPPER
the unflushable

**Disposable
does not
mean
flushable.**

Cleaning wipes, baby wipes, and other moist towelettes that are described as 'flushable' do not dissolve, but they do accumulate in our sewer system causing clogs and back ups.

A baby wipe after it has been flushed, gone through the collection system, and pulled from a pump station

Disposable **WIPES**

Minimize use of disposable wipes.

Discard used wipes in the trash.
