July 2016

Summary

It is the mission of Social Services to improve the quality of life for people in need¹ who reside in the Town of Windham, by:

- Promoting economic self-sufficiency; and
- Connecting people with those resources made available by the Town, the state and the federal government, in accordance with applicable laws and regulations.

Each month the current status of the program will be assessed using the following measures identified in the budget narrative.

1. People in need are counseled and provided information and referrals regarding local, regional, state and federal social service programs.

- a. In July, as in previous months we coordinated with government and community based agencies that offer resources to strengthen individuals and families and promote economic self-sufficiency, such as Project Feed, USDA, DHHS Emergency Funds, and the Aspire Program. We also coordinated with other providers of social services, such as the Good Shepherd Mobile pantry, Opportunity Alliance which administers LIHEAP; RTP Bus Service, Salvation Army and Neighbors Helping Neighbors.
- b. Social Services made/received almost six hundred (600) phone calls²; interviewed thirty-six (36) individuals for direct general assistance³, and provided food/non-food assistance to two hundred and forty-six (246) households. Each individual was provided education and information regarding additional resources available to them and encouraged to investigate these programs, and in many cases received assistance from staff (phone calls, emails, etc.) to connect with these services.

2. People in need that qualify for General Assistance under the Ordinance receive temporary assistance for basic needs.

- a. In July, three hundred and nine (309) residents in need were assisted by the Food Pantry and/or the Clothes Closet.

¹ “People in need” are defined to include those people who qualify for financial or other assistance according to regulations issued by the Town, the state and the federal government. As authorized by the Town, Social Services may offer additional services to enhance the quality of life for children, families and seniors.

² This number includes calls from those seeking food/non-food, clothing, and/or financial assistance, out-reach to the community and calls made on behalf of clients seeking assistance.

³ Twenty-four (24) Windham; Twelve (12) Gorham.

- b. Vouchers are provided for housing, winter emergency fuel, or electrical assistance to those who qualify for it, under applicable law⁴. All decisions are rendered within twenty-four (24) hours as required by the state. In July, no Windham residents qualified for direct general assistance.
- c. Staff continued to reach out to members of the community, local businesses and NGO's that support with their time and their donations. In July, the Food Pantry received \$ 995.00 in donations and thirty-nine (39) community members volunteered seventy-eight (78) hours of their time.

3. The annual audit demonstrates compliance with state regulations.

- a. A special audit was conducted in July of 2015 by the Department of Health and Human Services (DHHS) the then newly appointed General Assistance Manager and noted 100% compliance in all areas.

All of the programs located at the Family Resource Center, support the mission of Social Services and all of those that sought assistance in July received some type of assistance – food/non-food, educational/informational, or financial⁵.

As a result of these efforts, and the generosity of so many groups and individuals, assistance was provided to over three hundred (300) eligible individuals and their families while working to help them to achieve improved self-sufficiency.

Highlights

- Fresh Start Farms started delivery of fresh produce to the Food Pantry. This was made possible due to a generous donation from the TD Bank Foundation providing food pantries in Cumberland County with fresh, local food. The Windham Food Pantry received a grant of \$800.00, up from \$500.00 last year. This program also supports refugee farmers. In July we received lettuce, kale, spinach, onions, radishes, carrots, beets, celery, turnips, green beans, bell peppers and snap peas. A real treat for our clients!
- Wayside sent an urgent message that they had just received six (6) pallets of bagged Green Giant steam in the bag vegetables. The Social Services Assistant jumped in her car and brought back sixty-four (64) cases of broccoli medley, cauliflower, green beans, asian veggies and chopped cauliflower. This delivery brought in eight hundred and sixty-four (864) bags worth \$1140.00 if purchased in the store.
- Volunteers to the rescue! The ramp at the Social Services building was in need of a facelift. Bruce Gove power washed it and returned with four more volunteers for several days painting the rails, steps and ramp. It looks like new! We so appreciate their time and efforts.
- Our “healthy snacks for children home for the summer” program has been a huge hit with clients. Windham residents have been especially generous in helping to provide these snacks. Many thanks to all.

⁴ The Ordinance adopted by Council governs qualification.

⁵ To ensure public accountability, the General Assistance Ordinance was objectively, consistently and uniformly applied.

- Fresh fruit and vegetables from Hannaford continue to be especially plentiful and well appreciated by Food Pantry clients.
- All clients were encouraged and reminded to come to the Food Pantry each week, in addition to their monthly visits for fresh fruit, vegetables, bread and pastries.
