Subject: Re: Great East Music Festival Program

Hello Tammy,

I apologize, I had overlooked that detail. Do you need a formal letter, or can I email our progress and outcome?

We attended the Great East Music Festival in June 2023. The 7th/8th grade band performed for the judges and earned a Gold rating. The 7th/8th grade orchestra performed as well and earned a Silver rating. The judges worked with each group at the festival to improve parts of their performance and got results. After the music portion of the festival, the students got the opportunity to go to the Boston Museum of Science, the first time most students had the chance to go. They learned all sorts of things about natural science, robots, weather, and much more! The students all had a positive experience and almost all signed up for band or orchestra for this school year. They continue to work toward being better musicians, keeping them busy with a positive influence, hopefully avoiding drugs and alcohol. The students will return to a similar music festival this coming June.

Thank you for providing a grant to help fund this educational experience for the students!

Hello,

I wanted to reach out to draw attention to the deliverables section of the Substance Prevention Grant application that is required of grant recipients. We want to make sure the criteria of the grant are met and learn about your program's success! The Committee Chair asked me to follow up with all programs yet to share their program outcomes.

Please feel free to forward your report to me for submission to the committee and for inclusion in the Town Councilors' agenda correspondence.

Thank you and happy holidays!

Tammy
