Steve,

Please find the requested emails at: [PDF Collective Emails to PDF.pdf](#)

A new program was utilized to compile the emails so that attachments within could be accessed if desired. The programs organized the emails a folder, but you will see '<No Value>'. Please double click on that to open the folder.

If you have any questions, please reach out.

Thank you,
Tammy

You don't usually receive emails from this address. Make sure you trust this sender before taking any actions.

Hello Bob,

This is a formal FOAA request for ALL emails from January 01, 2020 to present day that were sent by or received by...

- (1) Mark Giguere
- (2) mark@thegiguere.com
- (3) Eric Giguere
- (4) eric@ghimaine.com

...with any employee or Windham Town Official.

This should be an easy search. However, if this request cannot be fulfilled by the district in the two-hour period allotted, in the spirit of efficiency and cost-effectiveness, I would ask that you please advise me of a breakdown of this request that you estimate can be done within the two-hour period.

It would be easier and minimal effort to receive this information electronically stored, a link or URL.

Thank you and I look forward to your acknowledgement of my request within 5 days of receipt of the request.

Thank you,
Stephen Napolitano
