Report.

Lowell Preserve Harvest.

As reported to the Council at the meeting of October 28, we have been working to get pricing from loggers to conduct another round of harvesting in the Lowell Preserve pursuant to the forest management plan adopted in September 2011. The forester we have been working with, Mike Maines, will be present at Tuesday's meeting to address options and issues regarding the harvest during the manager's report.

Please let me know if you have any questions.
