

Town Of Windham  
8 School Road  
Windham, ME 04062

Dear , Town Of Windham

Little Sebago Lake Association thanks you for your generous support of our fundraising efforts. We have received your contribution of:

Grant of \$15,329.00 on 06/22/2024

Member contributions like yours help us raise the funds necessary to maintain the dam, control invasive plants, monitor water quality, and promote safe boating on our lake. We are partners with you in our commitment to safeguard our lake's environment and to be advocates for all Little Sebago property owners.

Little Sebago Lake Association is an exempt organization as described in Section 501(c)(3) of the Internal Revenue Code, identified by Tax ID #01-0437253. Your contribution may be deductible to the extent allowed by law. No benefit, other than a token decal, and the joy of giving to an organization that supports the mission to protect, restore, and improve our lakes water quality and fragile ecosystem, was bestowed upon this donor in exchange for this contribution.

Again, we thank you for your support! Our goals could not be achieved without the generous support of devoted friends like you. Please feel free to contact us with questions or concerns.

Best Regards,  
LSLA Board of Directors  
On Behalf of Little Sebago Lake Association
