To whom it may concern,

I am writing in support of the proposed zoning change to the North Windham commercial district that would allow a dog daycare to operate in the North Windham community. I, along with many friends, family members, coworkers, and clients, would both use and greatly appreciate the opportunity to have access to a professional, reputable caretaker for our pets while we are at work.

The proposed location is particularly well suited for those of us who commute to and from North Windham on a daily basis, making this service both practical and beneficial to the community.

Thank you for your time and consideration.
