

WINDHAM COMMUNITY GARDEN

“GROW LOCAL, EAT WELL”

Gray Rd. Windham, Me.

July 2, 2014

Windham Town Council,

On behalf of the Windham Community Garden, I would like to thank you for granting us \$3500.00 to be spent on the unfunded needs portion of our budget for this year. We are very grateful that the town staff, Town Manager and Town Council has been very supportive of what we are trying to accomplish with the Community Garden project. Your funding this year helped us get over a large hurdle and we are able to report that the garden is full and the expansion will be available to residents next year.

I have attached a copy of where the money you allocated to the garden has been spent so far. There are still items that we have yet to purchase as you will see on the attachment.

If there are any questions you may reach me at hilandlk@aol.com or 892-7192

Thank you again,

Marge Govoni,

Co Chair, Windham Community Garden
