Statement of Interest*

It was brought to my attention that there was a vacant seat on the school board and applicants were encouraged to apply. I jumped at this opportunity immediately. Serving my town and community is a life-long goal of mine. I currently have one child attending Windham Primary School and another one attending in two years. I volunteer regularly at the school, and was a member of the PTA last year. I've lived in Windham now for five years, originally from Portland. Windham is such a welcoming community to live, and raise a family in. My husband and I have no intentions to leave Windham anytime soon. In fact the both of us have often spoken about getting more involved within our community, particularly the school board, and giving back. I am 27 years old and eager to serve my town in any way possible. When I heard about this opportunity it felt fitting and I picked up the phone and called immediately to retrieve more information. I currently work Per diem as a Certified Nurses Assistant but primarily stay at home with my children. My schedule is flexible. I look forward to hearing back!
