Request No. 289893

Dear Mr. Plante:

The Bureau of Labor Standards completed an inspection on 12/02/2013 and workplace conditions were found which violate Occupational Safety and Health rules. SEE: Title 26 MRSA Chapter 6; 29 CFR sections 1910 and 1926. At your request, a discussion pertaining to the proposed penalty(s) was held on 04/29/2014 with a representative of the Workplace Safety and Health Division. On the basis of that discussion, I have determined all citations have been corrected. Administrative fees will be (10%, not to exceed \$250.00), **\$250.00, due May 30, 2014**. Checks should be made payable to "Treasurer of the State of Maine" and sent to the Bureau of Labor Standards at the above address. This letter serves as a final order to become effective fifteen business days from the date it is received. During that time you still reserve the right to file for a formal appeal as regards the citation(s), penalty, and/or abatement dates.

If you have any questions, please feel free to contact Steven Greeley, Director, Workplace Safety & Health Division, at 207-623-7916 or at [steven.l.greeley@maine.gov](mailto:steven.l.greeley@maine.gov).

Please accept my thanks to you and your staff for your expeditious attention in this matter. Through our combined efforts we continue the safety and health in Maine workplaces. As always, **SafetyWorks!** is available to assist you with safety and health education and/or consultation services. If you wish to request **SafetyWorks!**, please call 1-877-723-3345 toll free.
