Dear Friends,

Thank you for your support of Sexual Assault Response Services of Southern Maine (SARSSM). Your allocation of \$1500.00 will strengthen our efforts to raise awareness, improve systems of care, reach those affected by sexual violence, and provide prevention education.

During the last school year, we delivered proactive educational programming to more than 6600 students in K-college classrooms in Cumberland and York Counties, raising awareness around bullying, cyberbullying, harassment, and other behaviors that too often lead to sexual violence. Requests for this vitally important prevention curriculum continue to grow and we can meet that need because of help from towns like Wells.

Your donation also supports our work as we respond to and advocate for sexual assault victims and their families, helping them through traumatic law enforcement, medical, and court proceedings. We are available at no charge as long as we are needed, and our services are strictly confidential.

The SARSSM team is committed to ensuring that the most effective and compassionate services are available to the Southern Maine community. We genuinely appreciate your support. We couldn't do this work and so much more without the kindness and generosity of people like you.

Once again, thank you from all of us here at SARSSM and on behalf of all who call on us for help.

Sincerely,

Melanie Sachs, LCSW  
Executive Director
