Dear Friends,

Thank you again for graciously sharing your space with our staff and agreeing to display these fliers promoting Angus King's "Your Government, Your Neighborhood" initiative. As you know, each month our office will dispatch members of Angus's staff to a multitude of communities throughout Maine to meet with constituents, many of whom have previously had little local access to congressional offices. We believe in the value of people-to-people connections, and our state staff is committed to serving the people of Maine by getting out of the office and into your community. As Senator King himself says,

"Maine's Congressional delegation has always prided itself on providing the best constituent services. My goal is not only to continue that longstanding tradition, but to enhance it by introducing this new concept, which will allow us to be in more communities throughout the state. I'm excited by the great potential this opportunity holds and look forward to continuing to offer exceptional service to more Mainers than ever before." — Angus King

We would appreciate your assistance in placing these fliers on your community bulletin board and wherever else you see fit in your area.

Once again, thank you for helping us to reach members of your community, it is greatly appreciated. If you have any questions, as always, please contact us toll free at 1.800.432.1599.

Best regards,

Scott Wilkinson
