

Windham Police Department

Monthly Report

December 2017

The month of December was a busy month for the department to prepare for the pending retirement of Sergeant David Bonneau. Sgt. Bonneau will be retiring from the department after a distinguished 33 ½ year career at the end of January 2018. In preparation for this, we had run a hiring process to back fill the anticipated vacancy. After a lengthy process which included reviewing 16 resumes and interview 6 applicants, we are pleased to report that we have hired Alex Brokos as our newest patrol officer. Alex will begin his 18 weeks of basic training at the Maine Criminal Justice Academy on January 16, 2018. We will also be promoting a new Sergeant to replace Sgt. Bonneau in January; we look forward to announcing that in our January report.

Periodically, I have addressed the Town Council on issues related to some of our licensed liquor establishments in Town. I have reported that I would track the calls for service each month to determine any of our establishments had any problems that they may need assistance with. This has been on going and I am pleased to report no significant issues again this month.

2017 Calls for Service:

Below please find the total calls for service for calendar year 2017. At 17,877 our calls for service are down 1.6% from 2016. Our volume of index crimes and Motor vehicle crashes are similar to previous year. This year the department has placed an emphasis on traffic enforcement. This was accomplished by the assignment of personnel, an adjustment in patrol scheduling and participation in Bureau of Highway safety grants. At 4399 our total traffic stops were up nearly 26% from the 2016 total of 3476.

I would like to thank all officers for a job well done and for being responsive to the concerns expressed to us by our citizens.
