Hello,

I hope this message finds you well.

I'm reaching out because I was unable to locate a public records request (PRR) portal for Windham . As such, I'm hoping your office might be able to assist me in satisfying my public record request.

I am seeking access to public records related to active short-term rental (or vacation rental) properties in Windham . Specifically, I am looking for records that identify short-term rental properties, which may be found in documents such as:

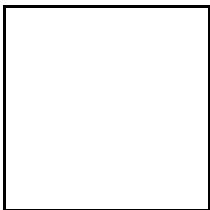

- Short-term rental/vacation rental permits, licenses, or certificates
- Transient, lodging, or hotel occupancy tax certificates, records, payment filings, etc., related to short-term rentals

If your office maintains these records, I would appreciate guidance on how to access them. If these records are managed by a different department, I would be grateful if you could point me in the right direction or connect me with the appropriate contact.

Please let me know if you need any clarification or additional information to process this request.

Thank you for your time and assistance. I look forward to your response.

Thanks
