Hi Steve,

This application looks good to me.

One question I have concerns the parcel acreage. The survey notes on pg 17 of the Plan say the parcel contains approximately 122 acres. Pg 4 of the application lists 108 acres (which is what we have listed in our database). Which is correct? Or does the 122 acres include multiple parcels owned by the same owner?

Sincerely,

Hi all (Sorry, please try this links),

We have received application for an amended site plan and conditional use for an addition of a 3,896 SF Women's Mental Health building. The addition provides a separate medical space within the Women's Unit. Please share your comments or questions for the applicant by the end of this task.
