Attachments: Ltr to Town of Windham - FOAA request.pdf

Dear Mr. Aman,

We have compiled the Planning Department documents responsive to your request electronically.

This one drive file: [FOAA Depot Street Apartments](#), has planning materials identified in separate meeting folders. The original project #19-21 received approval July 13, 2020. Project #23-10 was an amendment to the original plan and approved May 8, 2023. The Planning Board files have the naming convention ‘YYYY MMDD PB Step in Process’, for example ‘2019 0923 PB New Business Item’. What we have compiled to this point is all the information the Planning Department has for the project.

The Code Enforcement department utilizes an electronic recordkeeping system where you may query our software for building permits, inspection notes, and final occupancy issuances by property address. Would you consider looking at what the address lookup search would provide for one of the addresses? You may want to refine your search parameters once you examine what is available online.

- The Town’s land use/ building permit/ inspections documents are available by searching our Public Portal: https://public.mygov.us/windham_me
- The specific information on permits is available for public viewing under the “address lookup” search tab located at the bottom of our public portal page (below the reports section).

This has exhausted the 2 hours of free staff time accorded by the statute. If it is your preference to have hardcopies of these documents, it will take considerable staff time. We will need additional time to estimate the hours of staff time needed and per page costs to provide an estimate.

Thank you,

Tammy Hodgman

Dear Mr. Aman and Ms. Wyman,
This email serves as the statutory 5-day acknowledgement of your information request.

We are currently reviewing our records to determine those that may be responsive to your request. I will coordinate the collection of information and be in touch soon.

Thank you,

Tammy Hodgman
