Dear Mr. Tibbets,

On behalf of the board, staff, and individuals we serve each year, thank you to the Town of Windham for its support of The Opportunity Alliance. Their contribution of \$6,800 will make a difference in our neighbors' lives.

Thanks to this contribution, parents can access support and resources to care for their young children. Families will receive oil to fill their furnace and stay warm in the winter. Individuals will finally have a safe space to call their own, with a dedicated staff who ensure they receive treatment to meet their mental health needs. And neighbors across the region will find common ground, shared experiences, and the tools to make their community a safer and more resilient place.

Every year the communities we work with are faced with new challenges. This contribution allows us to work alongside residents to face these challenges head on. For this we are extremely grateful.

Thank you for joining us in striving to meet our mission to build better lives and stronger communities. The Town of Windham is an important part of this work we do every day.

Sincerely,

Lily Lynch
