Barry and Bob –

For Tuesday's Council meeting, attached is the final revised draft of Chapter 101. From the last version, I've changed the affordable housing growth permits to coming out of the annual allocation instead of the reserve pool. I would propose that these amendments become effective January 1, 2026, but that will certainly need to be discussed with the Council.

If anything else needs to be changed before Tuesday, please let me know.

Thanks,
Ben
