Chat with the Director

Jen is meeting with town and state leaders daily to discuss safety measures and re-opening plans. Library staff are meeting to formalize a proposal for how they can provide library services with both their own and the community's safety in mind. Maintenance staff are implementing safety shields for high-traffic areas.

Safety is our #1 concern for opening!

In other news, our neighbor, the Gray Public Library, has reopened with limited services. At this time, only their local patrons are allowed to utilize their collection.

Windham Public Library card use at Gray has been suspended until both libraries resume their full service. We are looking forward to welcoming you back to the Windham library and will announce our plans soon!

Jen, Circulation Supervisor

In this week's **Bookish Live**, Jen Dupree will be speaking to **Kathleen Krammer** from the **Harrison Library**. Kathleen has been Director at the library for ten years and Jen is looking forward to chatting books with her.

Join us at **2pm Thursday, May 7th** on [the library's Facebook page](#).

**Bookish
LIVE!**
