

# **Windham Police Department**

## **Monthly Report**

### **September 2017**

**Department Restructure:** The month of September has brought the culmination of two years of work toward restructuring the rank structure of the Windham Police Department. After my initial assessment, individual meetings, the work done by our committee, presentations to the Town Manager, Town Council, Budget Committee and the Town Council during the budget process, we able to initiate the actual logistical process to get this done.

By way of review the plan called for creating two deputy department head level positions of Captain, one for the Patrol Division the other for the Support Services Division. It also called for discontinuing the Administrative Sergeant position and the creation of a Detective Sergeant position.

With the creation of the Detective Sergeant Position as well as the possible retirement of a current Sergeant, we had to run a promotional process to create a one year eligibility list for the rank of Sergeant, to fill positions as needed. We also ran a current process to promote a person into the rank of Captain of Patrol.

Over the course of the summer, written tests were created and administered, in basket projects were done, interview panels were conveyed and interviews done as well as Chiefs interviews of top candidates.

At the conclusion of these processes, Sergeant William Andrew was promoted to the rank of Captain of Patrol, and Detective Robert Hunt was promoted to the rank of Sergeant. I would like to congratulate both Bill and Rob on their achievements. I would also like to thank and congratulate all candidates for each position. These processes provided an opportunity to show case the high level of talent and professionalism we are fortunate to have on our department.

Currently, we are in the process of assigning one of our current Sergeants to become the department's first Detective Sergeant. We anticipate, this announcement being made by the end of October.

**Community Policing:** Working with the regional TRIAD over the past several months, we are in the final stages of implementing an elderly daily check in program. The program will serve the three towns served by our TRIAD, Windham, Gorham and Westbrook. The program is called the Rise and Shine program. The vision for the program is for volunteers from our local TRIAD to contact customers who sign up for the service directly each morning. If the customers or their listed emergency contacts cannot be contacted, the volunteer will contact the appropriate

dispatch center to ask for a wellbeing check from the appropriate police department. We will begin marketing the program in the near future.

Also in the area of community policing, next month the Police and Fire Departments will be participating in the second annual public Safety day. More details will be reported next month on that.
