

The Greater Portland Council of Governments
invites you to our Annual Summit

GPCOG
GREATER PORTLAND
COUNCIL OF GOVERNMENTS

Leading together through change

This year's summit will explore practical strategies for adapting to a changing climate. GPCOG Director of Community Affairs Jamie Garvin will lead a panel discussion with leaders from Cape Elizabeth and Scarborough, who have experience adapting municipal infrastructure to rising sea levels.

Back by popular demand, our **"What Works"** segment invites community leaders to share quick, one-minute success stories.

After the summit, join us at the Stone Barn for local beer, live music, and continued conversation until 6:30 PM.
