Dear Mr. Plante,

Thank you for your recent contribution of \$6,800 to The Opportunity Alliance.

We believe in the potential of every child, family, senior, and community. With your contribution, we have the resources to work with people who face obstacles daily as they build on their strengths to overcome them.

Your gift enables us to say “yes” when someone comes to us with a need or an aspiration. Because of your support people are healthier, more financially stable, succeeding in school and better connected to their community.

We are appreciative of the partnership of the Town of Windham in this important work.

Sincerely,

Michael J. Tarpinian
President & CEO
