Windham, Maine 04062

Dear Tammy,

Teens in Maine are battling substance use and mental health challenges everyday – often without support. That's where you and **Day One** come in.

Thank you! The Town of Windham's donation will directly support our work to improve the lives of Mainers struggling with substance use, mental health and wellness services.

We've been providing substance use, mental health and wellness services to youth and families for over 50 years. We are best known for operating the only residential substance use treatment programs in Maine for teenagers 13 to 18 years old. All this year, we are celebrating the 50th year of operation for our youth residential program.

With the support of generous people like you, we will be able to maintain and increase our ability to serve youth and families throughout Maine.

Thank you for supporting **Day One**. Consider this letter as the tax-deductible receipt for your records. If you have any questions, please call me directly at (207) 893-0386 or send an email at beckyh@day-one.org.

With gratitude,

Becky Humphrey
Chief Executive Officer

*Thank you very much for
