Hello Mr. Manchester,

The Manchester School transferred from the Town to the RSU on 10/1/2012. The LMH is part of the same lot, owned by the school (Map 67 Lot 21) . We are unaware of any new contracts with he RSU. Maybe the Superintendent's Office is aware?

The attachment is what the Town has on file for the property transfer.

Thank you,
Tammy

Hello Tammy,

Thank you for the materials related to

The Little Meetinghouse. A couple more bits of information, if possible; when did the town sell the Manchester school site to School Union 14 ?

Is there a new land lease contract? Did Union 14 want LMH to pay them \$ 1 per month?

Best Regards,

Dave Manchester
