Dear Landlord/Resident:

You are receiving this letter as our records indicate you own or reside at an apartment complex of over four dwelling units. Please be advised that it has recently come to our attention that some apartment complexes with more than four units may have inadvertently been serviced by Pine Tree Waste/Casella Waste utilizing the Town “pay as you throw” blue trash bag program. Apartment complexes of more than four dwelling units are considered commercial entities under the Town Solid Waste Ordinance and are thereby not eligible for the Town trash collection program. The “pay as you throw” program ceases on **September 9<sup>th</sup>** and is being replaced by Town trash carts. If your tenants are utilizing the Town’s program currently, please proceed in setting up a commercial trash and recycling account with a town licensed Waste Hauler **prior to September 9<sup>th</sup>**. The following are a list of eligible Waste Haulers that may be able to serve your location:

- Albano Recycling & Waste Services, Inc. 207-761-8301
- Allagash Waste Services LLC, 207-892-4036
- Casella /Pine Tree Waste, 207-510-4863
- Reynolds & Sons Disposal, 773-5862
- Scott’s Disposal Service, 207-894-5069
- Troiano Waste Services, 767-2070
- Waste Management of Maine, 317-8026

If you have further questions on this issue, please call the Town Manager’s Office at 207-892-1907. If you have questions regarding trash and recycling in general, please call the Department of Public Works at 207-892-1909 or visit [www.windhammaine.us](http://www.windhammaine.us).

Thank you,

Barry Tibbetts  
Town Manager
