

No Longer a Town -

City of Windham

Councilors -

Just a few thoughts -

What a joke all the
construction esp. on 35
behind CVS etc - Corsetti's
Cops can't handle the

town activities now
why add more? The
tax plant is a big joke -

I bet the students
really are learning

A lot with blasting
etc - I bet when they
went outside they wore
hard hats. What a joke
for anyone that voted for
it, Tony and at the time
the councilors had class
maybe that's why we
didn't have a tx plant -
Looks so nice coming into
the city. We are a

City right?

What a joke - So nice

all the "Pot" places -
A smell that pot - Real impressive

Maybe with all this

new construction more

people can come in

and there can be another

incident like the one on

Snowy Ridge - Wow - Be

proud - hopefully the new
School floods -

Big business gets
huge tax breaks for
years when they come
to town- Well, the residents
make them wealthy by
purchasing items from the
Well, where's my tax
break for the 1st 10 years
I've been here 25⁺
maybe you should write
me a check for back

taxes owed -

It would be great if the cops wouldnt hide = This has been

brought to Chief Scholfield

attention - Surrounding

towns you always see

their officers around -

Falmouth must have classic

people they dont have to

'fire' marks everywhere

like this ~~but~~ city does

No constraint in classes towns
Falmouth, Cumberland, Starbuck etc -

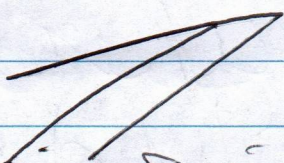

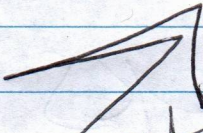

Go around town
and look to see
the marks -

#344 Windham (center Rd)
Nash Rd (Near Windham (Frd)
River Rd etc -

Area's you embarrassed?
Take time out of your busy ~~schedules~~
go around -

City of Windham
and class-less people

Be Proud

Nice sign  Joke  the lights
Albin / 302 at Windham
Cops are curmy
Be proud

years you & catholics
to crush it
Be proud

channel 7 - synthetic drugs etc -
All drugs are bad but here in Winham you don't give a shit
Whatever is going on shame shame
behind Cassettes is a
joke - what a dump
Winham is becoming -
Aren't you embarrassed?
Where are the signs (Cops are corrupt)?
I see the Police are
corrupt signs are down
at Albion / 302 lights -
Are they? Be nice to
see one sometime and not
hiding - At least Falant &
Comberland etc are still towns
and you see their cops out -

We all know Weedham
is a rich city just
wondering why the school's
lights are on 24 / 7

I bet CMP Co's Weedham -

They officers patrol
River Rd more you might
get some low lifes -
Or maybe you don't want

2 -

Councilors - Ask the officers
why if the law is 2 have
lights on during bad weather, dusk,
dawn why they don't have
them on? Above the law?

Shame Shame
It's great you can
sleep at night -
I'm sure I'm not the
only resident that
thinks this way -
The others just don't
have Balls - Ball-less
like YOU -

Have a great day

Change the sign

Welcome to
the City of Windsor

Taxes are high so aren't residents
thank to councilors - Ball-less
