Re: **North Windham Sewer Connection Preconstruction Meeting**

Dear Business Owner or Business Tenant:

The Town of Windham, in partnership with the Portland Water District (PWD), invites you to the North Windham Sewer Connection Preconstruction Meeting on Thursday, May 15, 2025, 8:30 AM, at the Windham Veterans Center, 35 Veterans Memorial Drive, Windham.

Town staff will make introductions to representatives of the Portland Water District, project vendors and contractors, including F.R. Mahoney & Associates, representatives of the E-One low pressure sewer system. Town and PWD Staff will discuss the overall project timeline and provide an overview of next steps.

Participation in the project will require owners and tenants to permit professionals to go on your properties to develop an accurate connection plan. This may also require that we negotiate easements for connections and future servicing of sewer lines to occur. This work will enable our future planning and timeline projections.

We encourage you to attend, but if you are unable, please let us know so that we can provide information to you at a future date. Please R.S.V.P. to tahodgman@windhammaine.us or call (207) 892-1907 by May 13, 2025. Refreshments will be provided. We look forward to seeing you at the meeting.

Best,

Barry Tibbetts
Town Manager

Robert Burns
Assistant Town Manager
