Statement of Interest*

Windham Town Council,

Please accept this as my Statement of Interest to fill the open seat on the school board.

Six years ago my husband and I relocated to southern Maine in order to be closer to his employer. However, we chose Windham specifically so that our children could attend this school district. I'd like to offer my time and talents to the school board to help maintain its excellence and work through the many challenges facing our district including those associated with our recent rapid population growth.

My experience includes serving as treasurer for my homeowner's association through several budget cycles. I helped prioritize maintenance and improvement projects while working within available funds and planned for long range capital projects.

I was most recently employed as a manager and bookkeeper for a Maine owned insurance agency. Much of my time was spent ensuring compliance with state law and other regulatory statutes. Additionally, I participated in annual strategic planning sessions with the goal of driving growth in an ever changing industry.

Lastly, as a mom and homeowner I have a vested interest in both the success of our students and being a steward of taxpayer funds.

Thank you for your consideration,

Christina R Small
