Antony Plante
Town Manager
Town of Windham
8 School Rd.
Windham, ME 04062

Dear Mr. Plante,

Enclosed please find two originals of Joint Funding Agreement (JFA) number 6000001305/17ENME0000000028, between the U.S. Geological Survey (USGS) and The Town of Windham for monitoring 20 groundwater wells, herein called the program. The Joint Funding Agreement is for \$17,000/\$23,000 (USGS/Town of Windham) and includes the collection, analysis, review and release of all the data collected.

The period of this agreement is from September 1, 2017 through August 31, 2018. Work performed with funds from this agreement will be conducted on a fixed-price basis. Please sign both originals of the JFA and return one original in the envelope provided. The Town of Windham will be billed quarterly. Please review the name, phone number, and email address of your point of contact who will receive the USGS Down Payment (Bill) Request.

This is a cost agreement to be billed via Down Payment Request (automated Form DI-1040). Please allow 30-days from the end of the billing period for issuance of the bill. If you experience any problems with your invoice(s), please contact Nancy Wurster-Brown at phone number (860) 291-6747 or email at nwurster-brown@usgs.gov.

The results of all work performed under this agreement will be available for publication by the U.S. Geological Survey. If you have any questions regarding this work, please call Jonathan Morrison at (860) 291-6761 or email jmorriso@usgs.gov. The USGS would like to express appreciation for the support of the Town of Windham for this important hydrologic data-collection program.

Sincerely,

Jonathan Morrison
