

Dear Town Council,

As we reflect on this past year, one thing is clear—your generosity has changed lives. Thank you and the Town of Windham for your gift of \$2,500.00.

Because of you, over 12,000 Maine children and adults facing mental health and substance use challenges found the support they needed to heal and thrive. Every therapy session, every call to our support line, every moment of hope, every life reclaimed—it's all possible because of you.

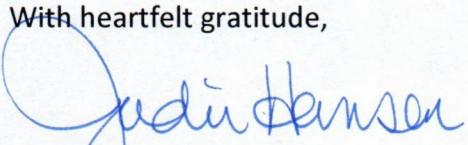

In 2025, your gift helped Sweetser provide care to those who might otherwise have gone without. This meant a child finding stability, a parent rediscovering hope, and a neighbor taking their first steps toward recovery.

Your commitment reminds us that healing is a community effort. You are part of every success story, and we are deeply grateful for the trust you place in us.

We hope you'll join us in making 2026 a year where hope is at the forefront, continuing our collective efforts to make a meaningful impact through your donations, sponsorships, and attendance at our various events.

Thank you for standing with Sweetser and for making Maine a state where mental health truly matters.

With heartfelt gratitude,

Jodie Hansen
Director of Development
