 RE: Monthly Report for June 2014

June brought the State Primary election and the RSU14 Budget Validation vote. We had 1,059 voters participate in this election. In preparing for the election we had to visit three state licensed facilities to conduct absentee voting, we had to post the Notice of Election in designated areas around Windham, and we had to be open until 7:00 p.m. one evening before the election to allow people to register to vote, or vote absentee. Town Meeting followed that on June 14, which requires a lot of preparation and work for a very low turnout of town's people.
