Dear Mr. Plante,

Thank you for your recent contribution of \$6,800 to The Opportunity Alliance. We are grateful for your support of our work in the community.

Every year, we partner with thousands of individuals and families who are seeking to stabilize fragile situations and advance their aspirations. Every year, we bring our resources to bear to fulfill our mission “to work with people to build better lives and stronger communities”.

Parents want quality early childhood education for their kids; seniors seek to remain independent within connected communities; individuals strive to overcome barriers that keep them out of the workforce or isolated from neighbors; families seek to break out of the cycle of poverty; and communities unite to foster safe and economically vibrant neighborhoods.

Your gift enables us to move ahead with effective strategies, committed staff, and clear goals.

We are appreciative of the partnership of the Town of Windham in this important work.

Sincerely,

Michael J. Tarpinian
President & CEO
