

Addendum to Order 23-039

At the request of Councilor Reiner, the additional comments below, that were recorded at the meeting of May 9, 2023, be added to the minutes of that meeting.

To be added:

Councilor Reiner asked about the vote on April 25, 2023 for Order 23-039, the zoning change for Roy Moore's construction project at 946 Roosevelt Trail. He said that night the vote was 3 for, 2 against, 1 abstention, and 1 absent. He asked, at that time, if it passed and the answer was yes.

Manager Tibbetts said his determination of the vote was incorrect. It does have to be 4 votes in the affirmative and so it did fail.

Councilor Reiner asked if the person who brought that motion forward was aware that it did not pass? He left the meeting that night thinking it did.

Manager Tibbetts said he had not talked with Dustin, but he would follow up with him.

Point of Order by Councilor Nadeau. Where that was at the last meeting someone in the affirmative should bring it back to the table, and if it gets a second, then suspend it to make sure he understands so it can be put on the agenda at another meeting. Other than that, he would have to wait a year.
