**Request for Zoning Map Amendment – Parcel ID: Map 4A, Lot 1 (Deed 24342-78)**

To Whom It May Concern,

I am writing to formally request a zoning map amendment for the property owned by William Hartley, located in Windham, Maine. It is identified as **Parcel ID: Map 4A, Lot 1**, and recorded under **Deed 24342-78**. A portion of this parcel is currently designated as **Farm District (F)**, while the remaining area in the neighborhood, is zoned **Light-Density Residential District (RL)**.

The purpose of this request is to bring the zoning of the entire parcel into alignment with the prevailing land-use pattern in the area. Over time, the neighborhood has transitioned away from agricultural uses and is now predominantly residential. As a result, the current split-zoning configuration no longer reflects existing conditions or the practical use of the land.

The proposed change is also in agreement with the Windham Comprehensive Plan "Big Thing #1" goal of creating additional housing options across Windham for prospective residents, while also keeping with the future designation of the property as a Rural Area, avoiding higher density housing options that are intended for Growth Areas.

Unifying the zoning of this parcel under the appropriate residential designation would:

- **Ensure consistency with surrounding properties**, many of which are already zoned Residential, including a portion of this lot.
- **Support reasonable and orderly development**, aligned with the Town's long-term land-use goals.

I respectfully request that the Town of Windham consider this zoning amendment to create a single, cohesive zoning designation for Lot 1 on Map 4A. I believe this adjustment will support the town's planning objectives while allowing the property to be used in a manner consistent with the neighborhood and surrounding land uses.

Thank you for your time and consideration. I welcome the opportunity to provide additional information, participate in public hearings, or meet with town staff as needed.

Sincerely,  
**Paul Babbidge, PLS**
