To Whom It May Concern,

My husband Brandon and I wanted to reach out to express our support for Salty Dog and their interest in opening a Windham location.

We have been taking our dog Pretzel to Salty Dog in Falmouth since we brought him home five years ago. When we learned about their plan to open a second space on 302, we were excited that we would be able to take advantage of having them so close to us. However, we understand that they are running into some zoning restrictions. As residents of Windham who are eager to see this business come to our town, we ask for your consideration in allowing them to open in their desired commercial district location. We believe they will be a welcomed addition to town, and we look forward to having them as part of the Windham community.

If you have any concerns or questions, please reach out to us.

Thank you,

Meg & Brandon Crimmin
